New Delhi:

It is not for nothing that it is said – “Art is a mirror of society”. Since times immemorial, art has served as a testimony to the prevalent society, norms, events and culture.

Indeed, if it were not for these records in the form of sculptures, paintings, poetry, prose and other artifacts what symbols would we have of times gone by and what would we leave behind for posterity? These artifacts, though silent themselves communicate innumerable words and incorruptible truths to the beholder. It is also true that one perceives the world as one is. Thus, art as a means of expression of the artist becomes a mirror to her soul.

Erum Khan's much acclaimed platform “Aura Planet Group Arts”, which is renowned for its thought-provoking and topical exhibitions, is all set to **pay** tribute to this power of art to represent the truth of society or environment and a gateway to the soul of artists, with her upcoming exhibition “Aaina” i.e., mirror.

Featuring Artists : Suraj Shukla, Jyoti Singh, Archanaa Panda, Anjali Prabhakar, Priyanka Awasthi, Vartika Baranwal, Neha Vadehra, Nancy Aggarwal, Sawaranjeett Kaurr Gill, Manzor Ahmad, Shalini Gupta, Rakesh Tiwari, Mayank Kapoor, Bodh Raj Baldotra (Sculptor), Shalini Singh, Gaurav Dagar, Shatakshi Sharma, Priyanka Singh, Lakshya Gora, Rupali Paliwal, Payal Agarwal, Saakshi Brahmi, Shikha Gupta, Puja, Kaustav Mukherjee.
